**PERSONAL GUARANTEE**  
**(To be signed for Corporate, LLC, Trust and Partnership Accounts)**

---

The undersigned (jointly and severally if there is more than one) hereby unconditionally and irrevocably guarantees full and prompt payment to GFT Futures of all sums owed to GFT Futures by Customer pursuant to the foregoing Futures Account Agreement, whether such sums are now owing or are hereafter owing. The undersigned waives any notice of default or dishonor or presentment for payment, notice of non-payment, protest and all other notices and agrees that GFT Futures shall have no obligation at any time to request payment from Customer, or from any other person, firm or corporation liable for the guaranteed debt before proceeding on this Guarantee. The undersigned agrees to pay all reasonable attorneys' fees and court costs, if any, incurred by GFT Futures in connection with the enforcement of this Guarantee and Customer's obligations under the Futures Account Agreement.

All monies, securities, negotiable instruments, open positions on futures contracts, option premiums, commodities and other property belonging to the undersigned now or at any future time that are on deposit with GFT Futures, for any purpose, are hereby pledged to GFT Futures for discharge of all of the undersigned's obligations hereunder, and GFT Futures may, in its discretion, transfer any of such property from any of the undersigned's accounts to GFT Futures to offset and credit against any of the undersigned's obligations to GFT Futures under this Guarantee.

This Guarantee is a continuing one and shall remain in full force and effect until revoked by the undersigned by a written notice to GFT Futures, but such revocation shall not, in any way, affect any liability for losses sustained prior to such revocation.
